GALÁCTICA

Year Founded: 1996

Region: Valle Central, Chile

Winemaker/owner: Ricardo Baettig and Daniela Salinas

Fun fact: Ricardo Baettig also makes wine for Prisma!

-Certified Sustainable-

The Galactica wines are made by the winemaking team of Ricardo Baettig and Daniela Salinas with fruit from a blend of both estate and sourced vineyards. The wines come from cool microclimates within Chile which benefit from having large diurnal shifts in temperature and silty, granitic soil.

2026 Sauvignon Blanc

This 100% Sauvignon Blanc comes from vineyards in the Valle Central of Chile. 100% de-Stemmed. Cool fermentation at 12C in stainless steel tanks for 2 months on the lees. Aged 4-6 months in stainless. This bright and fresh wine jumps out of the glass with hints of lemon, gooseberry, lavender, chamomile, sweet pea, and mint with some mineral notes on the finish. The wine is lighter in style, crisp, and well balanced making this a versatile and easy drinking Sauvignon Blanc.

2024 Cabernet Sauvignon

85% Cabernet Sauvignon, 15% Syrah comes from three vineyards in the Valle Central of Chile. Cool fermentation in stainless steel tanks for 6 months and then into 225L neutral barrel. The wine shows notes of dark cherry, plums, and rhubarb with hints of cigar box, clove, eucalyptus, and leather. Undertones of blackberry, dark chocolate, ripe currants, and baking spices come through on the finish. The oak is well integrated and leads to a fruit driven wine held tight with soft, fine grained tannins.
