

# CHATEAU LA NAUDE

**Year Founded:** 1759

**Region:** Saint-Emilion,  
Bordeaux, France

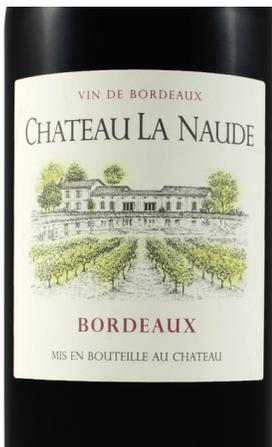

**Winemaker:** Guillaume Bergeon

**Fun Fact:** The property is classified in the Bordeaux Superior appellation. Château La Naude produces only red wine, its dominant grape variety being Cabernet Sauvignon.

-Sustainable, Kosher-

Chateau La Naude is located north of Saint-Emilion, just outside the village of Gauriaguet. The property consists of 18.5 hectares planted with Merlot, Cabernet Sauvignon and Cabernet-Franc. The vineyards of La Naude are situated on highly coveted limestone and clay soils, which, in an otherwise nutrient-poor environment, provide their Merlot with signature minerality.

The vines on the property range in age from 10-20 years old. Proprietor Jacques De Schepper of De-Mour comes from a family tradition of wine and spirits, starting with his father who began in the 1930s by producing Jenever and other regional liquors in the Belgian town of Ghent. After expanding their import business in the 1960s, the De Schepper family acquired several Bordeaux estates, eventually taking ownership of five Chateaux across the region with the goal of returning these neglected facilities to their former glory.

## Bordeaux Rouge 2019

60% Merlot, 30% Cabernet Sauvignon, 10% Cabernet Franc.

21-day maceration. Aged 24 months in stainless steel.

Pure and floral, with lush ripeness accompanied by flavors of sweet blackberry, plum and cassis. Perfectly balanced with a long, spicy finish.
