

GRAND MAYAN

'Top 100 Tequilas in the USA' – The Tequila Report 2025

Long-time industry veteran Carlos Monsalve, founder and owner of Grand Mayan Tequila (founded in 2007) has more than 20 years working in nearly every facet of the tequila business. Based in Guadalajara, Mexico, Carlos started his career helping Mexican tequila brands navigate and manage the exporting process to gain distribution across the world. During his travels around the world, he witnessed the demand for 100% Agave tequilas. Carlos now dedicates his life to Grand Mayan Tequila, where he is involved in every step from the soil testing and agave sourcing to ensuring only perfect sugar levels are used by tasting of each batch of tequila before it is carefully bottled. Grand Mayan's handcrafted tequila is produced with the purest, central-highland Blue Agave with the highest standards of production. Based in Guadalajara, the capital of Jalisco, Mexico, Grand Mayan takes painstaking pride in not only the tequila itself, but also in its presentation. Each unique ceramic decanter is handcrafted, individually numbered and painted by local Mexican artists in Mexico City, making each bottle a piece of artwork, but it's what's inside that is truly a masterpiece.

Silver Tequila

Our award-winning Grand Mayan Silver tequila is distilled three times and slowly filtered, resulting in the perfect Blanco tequila. This light, crystal clear tequila exudes fresh agave aromas, making it a favorite of connoisseurs worldwide. Grand Mayan Silver mixes flawlessly into almost any cocktail, or is perfect to sip on its own.

Extra Aged Tequila

The agave used to craft Grand Mayan Extra Aged is slowly cooked in traditional stone and brick ovens, slowly fermented, then twice distilled in copper lined stills. It is then rested in ex-bourbon and ex-cognac barrels for a minimum of 3 years up to 5 years. Each batch is masterfully blended, perfectly smooth with a layered, long finish.

96 Points – The Tasting Panel – “Glides across the palate. It inspires an array of spiced apple, nougat, and incense. The sweet agave notes are punctuated by orange peel, jasmine, and chocolate.”

Ultra Aged Limited Tequila

94 Points – Best Tequilas 2025 – Vinepair

The 12 Best Añejo Tequilas to Drink in 2023 - ‘Best Extra Añejo’ – Liquor.com
“This bottle is certain to impress the tequila lover in your life.”

Aged for a minimum of 5 years, Grand Mayan Ultra Aged Limited Release Tequila is crafted using our finest hand selected Central-Highland Blue Weber Agave. Slow cooked in traditional Brick and Stone ovens, extended fermentation, then twice distilled in Copper Pot Stills, this exceptional Tequila is then rested in both American oak casks and French ex-cognac barrels. Perfectly smooth with rich notes of sweet nuts, blue agave, and dark chocolate, leading to a complex and delicious long finish.

97 Points – The Tasting Panel

Tequila Reposado

Grand Mayan Reposado is aged in ex-American whiskey casks for 6 months and finished in ex-Cognac barrels for an additional 2 months (for a total of 8 months resting in barrels). It's smooth for sipping, full on the palate and leads into a layered and delicious long finish. The Reposado bottle stands out for its unique beauty, with 24K gold applique applied by hand.
