‘Winery of the Year’ -Vinepair 2023

‘Andrew Jones is one of the most important players in the Central Coast wine industry.’ -San Francisco Chronicle

Year Founded: 2007

**Region: Central Coast,
Paso Robles AVA**

**Owner/Winemaker:
Andrew Jones and Tim Fulnecky**

Known For: Andrew’s ‘day job’ is working for a grapevine nursery in California, putting some 2-3 million vines in the ground per year in addition to putting 60,000+ miles on his car a year driving from vineyard to vineyard. Andrew knows where the best vineyard sites are in California and he champions them through authentically made wines.

-Organic, Sustainable, Vegan-

Local Knowledge. Traditional Techniques. Field Recordings is 35-year old winemaker Andrew Jones’ personal catalog of the people and places he values most. Spending his days as a vine nursery fieldman planning and planting vineyards for farmers all over California, Andrew is sometimes offered small lots of their best fruit on the side. Having stood in just about every vineyard on the Central Coast, he has a keen eye for diamonds in the rough: sites that are unknown or under-appreciated but hold enormous untapped potential. As friendships are made and opportunities are embraced, Andrew produces small quantities of soulful wine from these unusual, quiet vineyards. The Field Recordings wines are a catalog of single vineyard sites that produces wines with a sense of place and personality. In addition to the single vineyard wines, multi-vineyard blends are put together under the Wonderwall, Alloy Wine Works, and FICTION

labels. Wonderwall focuses on Pinot Noir and Chardonnay from extreme, coastal locations. Breaking through and breaking rules. Alloy Wine Works is a collection of varietal wines packaged in cans. FICTION, the original spin-off label, is a white and red wine produced from multiple vineyards and multiple varieties. Taking what the season gives us and creating a blend made for every occasion. Ready for tonight, tomorrow or this weekend.

92 Points - Wilfred Wong - *"Lovely and focused. This wine slides into the scene with aromas and flavors of black tea, dried leaves, earthy notes, and aromatic tobacco leaves."*

2022 Rosé Pet Nat, Paso Robles

Varietals: 86% Cabernet Franc, 14% Chardonnay

Vineyards: Wine Porch (organic), Cat Canyon (organic), Madison, Magdalena

Fermentation: Crushed and left on skins for 6 hours and pressed to stainless.

Fermented cold with native yeast and bottled before fermentation is complete to get just the right amount of sparkle

Tasting Notes: Oxnard plains strawberries, fresh rosemary sourdough loaves and a hint of jade citrus mint tea, watermelon jolly rancher.

NV Field Recordings Dry Hop Pet Nat, Arroyo Grande Valley

Varietals: 100% Chardonnay

Vineyards: Coquina (Organic)

Fermentation: Fermented cold and slow in stainless for 3 weeks on organic citra hops

Tasting Notes: Gooseberry, Lupulin, Pears

The fermentation occurred naturally and lasted 15 days before being racked off of its lees. We reserved a small portion of the fermenting juice in a temperature-controlled tank, which was added back to the wine before bottling. No non-grape sugar was used to finish the fermentation in the bottle. Dry Hop Pét Nat was our first foray into the Pét Nat revolution. The creation of this wine requires perfect timing. It must be captured in bottle at just the right level of natural sugar so it is perfectly carbonated upon release.

2023 Shucks White Blend

In the mountains above Soledad, at the base of the Pinnacles National Monument, lies the 50-year-old La Puesta block. At a time when varieties were mixed up, the Melon grapes were originally planted as "Pinot Blanc." Gradually, the vines were replanted with true Pinot Blanc, and today, the actual vineyard mix is unknown. We get a random assortment, picked early in the season to ensure the freshest possible acidity. Aged on its lees until bottling for added richness and complexity while retaining that laser-sharp acidity. Grab your shucking knives. **Sustainable & Vegan!**

Varietal: 50% Melon, 50% Pinot Blanc

Vineyards: Chalone

Fermentation: Whole cluster pressed. Racked to 50% neutral barrel and 50% stainless steel for a long slow fermentation.

Elevage: 4 months in half and half, barrel and tank

Tasting Notes: Lemon creme, shortbread cookies, white flowers

SO FAR OUT

A Collaboration between Field Recordings and Amy Atwood

At So Far Out, we're on a mission to craft organic wines that are environmentally friendly, affordable, and free of all pretense. Our goal is to make wine accessible to all, regardless of their experience level, so we've created a welcoming, inclusive atmosphere at our tasting room on the Martian ranch in Los Alamos. We believe that sustainable winemaking practices are not only important for preserving the environment but also for creating exceptional wines. That's why we source our grapes from Santa Barbara County, an area that is rich in biodiversity and offers ideal growing conditions for organic produce. Our commitment to the environment translates into every aspect of our

winemaking process, from the way we grow our grapes to the materials we use for our packaging. We're proud to offer organic wines that are not only good for the environment but that also taste great. Our wines are crafted with the same care and attention to detail as some of the finest wines out there, yet we keep our prices affordable, so everyone can enjoy them. At our unique tasting room on the Martian ranch, we offer a welcoming and inclusive atmosphere where wine lovers of all experience levels can come, learn, and taste exceptional organic wines. We strive to create a sense of community, where everyone feels welcome and included. In summary, So Far Out is a wine company that's committed to making organic wines that are environmentally friendly, affordable, and without pretense. We're here to make wine accessible to all, and we welcome you to join us in our mission to make wine that's good for the planet and good for the soul.

2022 'All the Rage', Los Olivos District, Santa Barbara County

"All the Rage" is a fantastic red wine that packs a flavorful punch. Made from a blend of organic Cabernet Sauvignon (65%), Merlot (20%), Syrah (10%), and Marselan (5%) grapes grown in two vineyards (Coquilot and Deboem) in Santa Barbara County - one of them young and the other over three decades old, the wine offers a depth of character that is rich and complex. 100% neutral French oak. On the nose, the wine is vibrant with aromas of black cherry, red currant, and hints of chocolate. On the palate, the wine is silky, with a balanced acidity and tannins that are firm yet smooth. The flavors are bold and fruit-forward, with distinct notes of ripe plum, blackberry, and a touch of vanilla. Bottled without any fining, this wine maintains its true flavor and is ideal for those who appreciate organic wine. Stylistically similar to a Bordeaux village, "All the Rage" is bold yet elegant, perfect for pairing with grilled meats or hearty pasta dishes. It's an impressive wine that will make you the life of the party and satisfy even the most discerning of palates.

2022 'Soft Eyes' Rosé, Los Olivos District, Santa Barbara County

'Soft Eyes' Rosé is a beautiful, organic wine made from Grenache (93%) and Marselan (7%) grapes from Deboem Vineyard in Santa Barbara County. Native yeast fermentation in tank. Aged in 100% stainless steel. On the nose, this wine is bursting with bright aromas of fresh strawberries, crisp watermelon, and subtle notes of juicy citrus fruits. The palate is dominated by a stunning blend of tart raspberries, tangy cranberries, and hints of lemon zest that offer an incredible balance of tartness and sweetness. The wine is very refreshing, light and has a supple, silky texture that is augmented by a lingering acidity. It beautifully represents the Old World style of winemaking, with great attention to detail, bringing forth a delightful and unique tasting experience. It pairs perfectly with a fresh salad, grilled seafood, light pasta dishes, or just enjoyed on its own as an aperitif. Overall, Soft Eyes Rosé is a must-try wine, offering exceptional quality and value.

2022 Chillable Red Wine, Central Coast

"So Far Out" is an exciting new chillable red wine that is making waves in the wine world. Produced from organic and responsibly farmed grapes grown along California's central coast, this wine is the embodiment of a new wine revolution. Corvina (45%), Mourvèdre (30%), Grenache (20%), Charbono (5%) from Wilderness and Black Oak vineyards. Open top bin fermentation with native yeast. Aged in 95% stainless steel, 5% new oak. This red wine is light, refreshing and perfect served chilled, making it a perfect choice for those warm summer days at the beach, outdoor BBQs, or simply relaxing with friends. The blend, which is a closely guarded secret, is designed to highlight the characteristics of the terroir and the varietals used in the blend. With aromas of ripe red berries, and subtle hints of herbs, this wine is well balanced and smooth on the palate, with a light to medium body that is refreshing and juicy to the taste. The flavors are the perfect harmony of fruit, with hints of strawberry and raspberry and a slight acidity that lingers in the finish. "So Far Out" is the perfect wine for those who appreciate traditionally made, organic wine, and the push to move forward to a more sustainable future. It's a wine that is both playful and sophisticated, indicative of the changes that are taking place within the wine industry towards more environmentally and socially responsible practices.
