Established in 2008, LOLA’s passion for creating naturally elegant, high quality, and honestly-priced wine stems from our vision of making great wine that can be enjoyed by all. Seth Cripe was a wine prodigy at a very early age, telling his mom he knew he was going to be a winemaker someday. By age 14, she was taking him from their home in Florida to work harvests in Napa Valley at Swanson Vineyards and after a few years he caught the attention of Charlie Wagner and was soon in charge of the Belle Glos Pinot Noir project and traveling to France 3-4 months a year. While working for Caymus, he fell in love with Burgundy. “I was very fortunate to spend a lot of time in Europe, so I have a preference for wines that are more delicate. I wanted to make wines in an elegant, old-world style that is authentic and unpretentious.” After twelve years at Caymus, he did just that and launched LOLA, named after his beloved fluffy grey dog rescued in the mountains above the California coast.

2022 Lola Rosé of Pinot Noir, California

100% Pinot Noir grapes grown on our younger vines in Mendocino and Sonoma Coast. The grapes were picked slightly under-ripe and lightly crushed by foot, then pressed off the skins after 8 hours. We do add a small amount of skins and stems to the press juice during fermentation which adds a bit more vibrancy and structure to the finished wine. 100% stainless steel. Vibrant, with a bright pink color and aromas of cherry and guava. Its bright acidity and crispness on the palate make it a perfect wine for warm summer days, and a wonderful pairing to vegetables and seafood.
