-Certified Sustainable-

Caves Languedoc Roussillon is a distinguished wine partner headquartered in Montpellier and steeped in over 35 years of regional expertise, passionately championing wines that capture the authenticity and diversity of the Languedoc-Roussillon landscape. Founded in 1984, this privately

owned group has become a trusted platform for local winegrowers, uniting artisans whose individual talent is infused into every vintage they produce. Their mission goes beyond commerce—they strive to represent the values of the region, its people, and its terroirs, delivering high-quality wines from sustainably managed vineyards. This Picpoul de Pinet is produced by Reine Juliette, a sixth-generation family estate that blends traditional expertise with modern innovation to capture the vibrant spirit of the Mediterranean.

Picpool 2025

This Picpoul de Pinet combines two distinct terroirs: parcels near the lagoon, which bring ripeness and richness, and inland vineyards that contribute freshness and vibrant acidity. The wine is aged exclusively in stainless steel to preserve its purity and freshness. Brilliant pale yellow color with green highlights. Fine, elegant floral and fruity nose reminiscent of hawthorn and peach. Well-balanced on the palate, acidity and roundness give this wine good structure, with a final note of citrus fruit (grapefruit).
