Known for: **Simply put, we source and produce high end wines, and provide them for a fraction of the cost.**

Neil Koch has extensive history in the wine industry, with a diverse and wide-ranging industry background. He grew up in the Napa Valley, and before attending Fresno State for Enology and Viticulture, Neil interned under famed international wine consultant Philip Melka at Seavey Vineyards, Vineyard 29 and Bryant Family Vineyards in the Napa Valley.

After gaining a foothold in the Napa Valley, Neil was hired as part of the winemaking team at Lewis Cellars in Napa. He helped craft multiple 90+ point Cabernet Sauvignon, Merlot, Syrah and Chardonnay over 3 vintages. With 15 years in all aspects of the wine industry, I have created exclusive agreements with wine producers throughout California, Oregon and Washington. Through these networks, I'm able source small lots of high end wines and offer them to you for a reasonable price. I try to focus on delivering sub AVA wines at an incredible value. Typically, bottlings are around 100 to 500 cases, and once they're gone, they are gone.

Spring Mountain District Cabernet Sauvignon 2023

92% Cabernet Sauvignon, 6% Merlot, and 2% Cabernet Franc Grapes were handpicked, and optically sorted around 24.5 brix from the top of Spring Mountain District. After a 2-day cold soak, tank temperatures were brought up to 90 degrees for maximum balanced extr action. After full extraction has been achieved, temperatures were brought down, cooling the tank and slowing the fermentation to capture the freshness and elegance of the fruit. We pressed "sweet" allowing the final stages of fermentation to take place in French oak barrel.

Aromas of dusty graphite, crushed rock and dried herb linger with cocoa powder and coffee bean in this intensely concentrated, powerful, mountain-grown wine. Seamless, complex and structured, the palate offers a dense array of red and dark fruit flavors highlighted by cassis and tobacco leaf with hints of leather and blackberry compote. Soft, rich, and round, it delivers well-integrated, resolved tannin buoyed by a lively palate of bright acidity and a long-lasting finish.
