

EZY TGR

2023 Chardonnay

100% Chardonnay from one of the oldest sites in Willamette Valley. Barrel fermented and aged on fine lees for 16-18 months. Racked into stainless steel for 6 months. Lemon curd, pear skin, and toasted hazelnut meet a flicker of sea spray and citrus zest. Medium-bodied, dry, and quietly powerful, it's creamy in feel but finishes with energy and focus. Think ripe apple, citrus pith, and just enough brioche to keep things interesting. It drinks like the moment the sun drops and the beach cools off — clean, relaxed, and a little wild around the edges. **Practicing organic with biodynamic practices!**

2023/2025 Chillable Red Wine

40% Pinot Noir, 40% Gewürztraminer, 20% Early Muscat. Own-rooted vines grown in volcanic soils. 300-1,000 ft. elevation. Inspired by the Palhete wines of Portugal — is it red, is it white? Sage and cherry Jolly Rancher explode from the glass on the first pour, then the nose turns into a ping-pong match between strawberry black tea, sweet herbs, and a floral rush of rose, lychee skin, candied ginger, and orange blossom. Carbonic Pinot pulls it back to earth: cold-crunch pomegranate and red currant, a faint waxy grip from the Gewürz, drying clean on a twist of grapefruit pith. The palate is creamy and definitively red, yet stays light on its feet — pale ruby, barely committed to the color. Give it a hard chill, lay back, and take it easy. **Certified Organic!**

2024 Pinot Noir

Single vineyard Pinot Noir from a moderately warm site. Volcanic basalt soils. 650-900 ft. elevation. 100% destemmed. Fermented in stainless steel. Daily pump overs to accentuate fruit aromas. Aged 10-11 months in French oak. Striking, translucent ruby red in the glass, the first aromas are classic. Aromas of fresh cherry, raspberry, and rose petal are complemented by Willamette Pinot — fresh strawberry and dark ripe berries. Cherry cola notes hints of forest floor and spice. The palate is vibrant and balanced, with bright begin to emerge as it opens up in the glass, followed by dried rose and red fruit, fine tannins, and lively acidity. Elegant and expressive, the wine black tea. The palate is soft, medium bodied, with elegant silky tannin. This finishes long with notes of cherry, dried herbs, and baking spice. This is a fresh, easy style of Willamette Pinot. A fresh easy style of Willamette Pinot Noir. **Sustainable!**
