

STALK & BARREL

Year Founded: 2009

Region: Ontario, Canada

Fun Fact: Crafted at Still Waters Distillery who holds the distinction of being Ontario's first modern micro-distillery, revitalizing the province's craft whisky tradition.

From grain to glass, it's all about the process. Here at Stalk & Barrel, we're reinventing what it means to be Canadian-made. Our small-batch unfiltered wort whisky found its roots in Ontario, with grains sourced from our own backyard in Canada. Stalk & Barrel brings whisky lovers, old and new, together with glasses in hand.

Our handcrafted blend is bold and smooth, from the stalk of the grain to the oak barrel aging process to your whisky glass, offering creamy vanilla, butterscotch, and white pepper notes.

Single Malt Whisky

Made from 100% Canadian rye, aged in ex-bourbon barrels for 3+ years, No Age Statement.

"Aromas of halva, dry hay, poached pears, and apple pie. The palate is sweet and full, with ripe cherries and a certain earthiness along with dusty grain and aromatic wet hay. Peppery heat enhances hot ginger and cinnamon hearts. This is malt whisky, held together by strong cereal notes with a fruity, creamy, medium finish. It's already tasty at 3 years; one wonders what glories another 3 would bring." -Whisky Advocate
