

# ONE STONE

**Year Founded:** 2019

**Region:** California

**Winemaker:** Mark Sinor. Recognized as one of Central Coast's highest-rated winemakers.

**Cool Fact:** A portion from every bottle sold is donated to Dream Big Darling, which provides educational opportunities and mentorship programs for the next generation of female leaders in the wine and spirits industry. Dream Big Darling was founded by Amanda Wittstrom-Higgins of Ancient Peaks Winery.

-Vegan-

One Stone is a tribute to the women who move mountains, one stone at a time. In that spirit, we create wines that shine at every occasion. Our grapes come from select sites that exemplify Paso Robles as a world-class region for Cabernet Sauvignon. The resulting wine is sophisticated, elegant and powerful—much like the land and the women from which they come.

## ONE STONE CELLARS

### 2022 Rosé, Central Coast

100% Pinot Noir from our family vineyard in Paso Robles and select sites on California's Central Coast. Here, the Pinot Noir grape thrives amid a marine-influenced climate shaped by the nearby Pacific Ocean. Sunny summer afternoons yield to cooling evening breezes, allowing the fruit to achieve full ripeness while retaining its delicate varietal nuances. Gently destemmed and lightly pressed to capture a brilliant rosé hue. Cold fermented at 55 degrees over a period of 15 days. After fermentation, the wine was racked off the lees and cold aged in stainless steel for three months prior to bottling, ensuring a full retention of crisp acidity and bright fruit flavors.

Lively aromas of watermelon, kiwi, flint and orange blossom. The palate is crisp, fresh and delicate, displaying flavors of peach, strawberry and clementine with accents of stony minerality. Silky textures unfold into a clean, vibrant finish.

### 2020/2021 Cabernet Sauvignon, Paso Robles

79% Cabernet Sauvignon, 11% Malbec, 5% Merlot, 5% Syrah. After harvesting, the fruit was gently destemmed and cold soaked for a measured extraction of color and flavor. At the conclusion of fermentation, the wine was racked to a combination of French and American oak barrels (15% new oak), where it aged for 15 months prior to blending and bottling. Small lots of Malbec and Syrah were incorporated into the final blend for enhanced depth and fruit dimension, while a complement of Merlot brought added silkiness to the mouthfeel.

Loaded with complex aromas of plum, black olive, caramel, graphite and earthy loam. The palate is sumptuous and integrated, offering generous flavors of black cherry, cassis, cranberry, fig, anise and espresso. Velvety textures and flashy tannins complete the experience of this fully expressed Cabernet Sauvignon.
