100% Lodi Certified Sustainable

Drawing from their experience in the music industry, founders Pat Corcoran and Tim Smith set out to create a wine brand that seamlessly blends innovation with accessibility. The essence of No Fine Print Wine lies in its commitment to demystifying the complexities often associated with wine, making it a delightful experience for both seasoned connoisseurs and newcomers.

2024 Cabernet Sauvignon

'Lush, fruity and compulsively drinkable. An exceptional value.' -Vinepair

80% Cabernet Sauvignon, 10% Zinfandel, 10% Merlot. Crafted using grapes from select vineyards throughout Lodi. Opens with cassis, blackberry, and ripe red fruit, layered with spice and savory herbs. Zinfandel adds brightness, while Merlot brings a supple texture and smooth finish. Structured without being heavy, it's an easy-drinking Cabernet made for the table.
